

NEOLACT PREMIUM COMFORT AC/AE

Indicated for the nutritional management of mild digestive complaints, such as constipation, colic and other moderate digestive disorders.

From birth

Features

Neolact Premium COMFORT is an infant formula suitable for the nutritional management of mild digestive complaints, such as constipation, colics and other moderate digestive disorders.

It contains partially hydrolysed serum proteins, which facilitate digestion and reduce the risk of allergies to cow's milk protein.

Usage of fat with 45% α -palmitate, which favours the absorption of the fat fraction of milk, calcium and magnesium, minimizing the main causes of stool hardness.

- Contains DHA, ARR and prebiotics-GOS.

- Fortified with iron, vitamins and minerals.

Ciconea Nutrición believes that food safety is essential. This is why all our formulas are produced in Europe under the most stringent quality and safety controls.

Information intended only for healthcare professionals.

All images and product sheets shown on the web are CODEX versions. Ciconea develops and manufactures each product in accordance with the legislation and instructions of the distributor in each country. This sheet is subject to be modified to correctly adapt its composition to the requirements of each country.

Ingredients

Skimmed **milk**, maltodextrin, vegetable fat (palm and kernel), vegetable oils (rapeseed, sunflower and high oleic sunflower), **galactooligosaccharides**, hydrolysed **milk** protein concentrate, **lactose**, fructooligosaccharides, minerals (magnesium sulfate, sodium citrate, monocalcium phosphate, calcium chloride, calcium hydroxide, potassium chloride, potassium citrate, potassium hydroxide, ferrous sulphate, zinc sulphate, cupric sulphate, manganese sulphate, sodium selenite, potassium iodide), emulsifier (**soy** lecithin), oil from the microalgae *Schizochytrium sp.* (source of DHA*), oil from *Mortierella alpina* (source of ARA**), vitamins (L-ascorbic acid, DL-alpha tocopheryl acetate, retinyl acetate, cholecalciferol, nicotinamide, phytomenadione, calcium D-pantothenate, thiamin hydrochloride, riboflavin, pyridoxine hydrochloride, folic acid, D-biotin, cyanocobalamin), choline chloride, taurine, nucleotides (CMP, AMP and UMP, GMP, IMP disodium salts), inositol, L-carnitine, antioxidants (tocopherol-rich extract, ascorbyl palmitate).

Allergens: It contains **milk**, **lactose** and **soybean** products.
