

## NEOLACT PREMIUM LACTOSE FREE LF

For infants and children with special needs.

From birth

## Features

**Neolact Premium Lactose Free** is a special lactose free medical food aimed to treat the dietary management of infants with intestinal disorders and diarrhoea due to lactose intolerance.

**Neolact Premium Lactose Free** is aimed to be the only source of nutrition for infants from birth up until their 6 months of age. From 6 months onwards, infants should complete the formula with additional complementary food.

- Contains DHA, ARA and nucleotides.
- Fortified with iron, zinc, vitamins and minerals.

**Ciconea Nutrición** believes that food safety is essential. This is why all our formulas are produced in Europe under the most stringent quality and safety controls.

Information intended only for healthcare professionals.

All images and product sheets shown on the web are CODEX versions. Ciconea develops and manufactures each product in accordance with the legislation and instructions of the distributor in each country. This sheet is subject to be modified to correctly adapt its composition to the requirements of each country.

## Ingredients
