Features

- **EGAO® KIDS IMMUNO CARE** is a food supplement based on vitamin D₃ and vitamin K₂, specially designed for children.
- Vitamin D is important for children wellbeing as it contributes to the normal function of the immune system and is needed for normal growth and development of bone in children. Also contributes to the maintenance of normal teeth and muscle function.
- Ciconea Nutrición believes that safety food is essential. This is why all our formulas are produced in Europe under the most stringent quality and safety controls.

Ingredients

Sunflower seed oil, antioxidant: tocopherol-rich extract, menaquinone (vitamin K₂), cholecalciferol (vitamin D₃).
